- Critical Thinking
- Problem Solving
- Teamwork

LANGUAGES

- English (Fluent)
- Hindi (Fluent)

PROFILE

- ☒ Consistently recognized for going above and beyond to meet tight deadlines and deliver high-quality results.
- ☒ Demonstrates a relentless work ethic with a track record of exceeding performance benchmarks.
- ☒ Proactive problem-solver who thrives in dynamic environments and takes initiative without being asked.
- ☒ A self-motivated contributor with a strong sense of ownership and accountability across all projects.
- ☒ Known for maintaining sharp attention to detail while managing multiple priorities efficiently.
- ☒ Brings energy, discipline, and persistence to every task, ensuring consistent progress and measurable impact

WORK EXPERIENCE

Front-End Development

- Designed and developed a personal portfolio website using HTML and CSS to showcase skills, projects, and contact information with a clean, responsive layout.
- Built Spotify and Netflix clone websites focusing on UI design, layout structure, and user experience using HTML and CSS.
- Implemented modern design practices including responsive layouts, flexbox, and media queries.
- Strengthened understanding of web design principles, code structure, and cross-browser compatibility.
- Demonstrated creativity, attention to detail, and the ability to convert design ideas into functional web pages.
- Training & Learning Experience
 - AI / Machine Learning (Ongoing)
 - Apna College
- Currently pursuing Artificial Intelligence and Machine Learning, building foundational knowledge in data handling, algorithms, and model concepts.
- Learning core concepts such as Python for AI, data analysis, and machine learning basics.
- Actively working on improving analytical thinking and problem-solving skills.
